

Preface

This book provides information of the seminar and all abstract accepted for presentation in Internasional Seminar on Chemistry wich be held in Semarang on 18 November 2010, organixed by Departement of Chemistry, Diponegoro University. This seminar is mainly sponsored by World Class University Program of Diponegoro University.

The abstract, certainly, should be necessary to follow the rich scientific program of the meeting, and also prove useful to those scientific who are not able to attend the seminar.

We wish to thank, readers, scientific advisory and organizing committee for their support during the book preparation.

Semarang, 18 November 2010

Dr. Parsaoran Siahaan

Chairman of ISC Undip 2010
