

## CHAPTER III

### THEORITICAL FRAMEWORK, CONCEPTUAL FRAMEWORK, AND HYPOTHESES

#### 3.1. Theoretical Framework

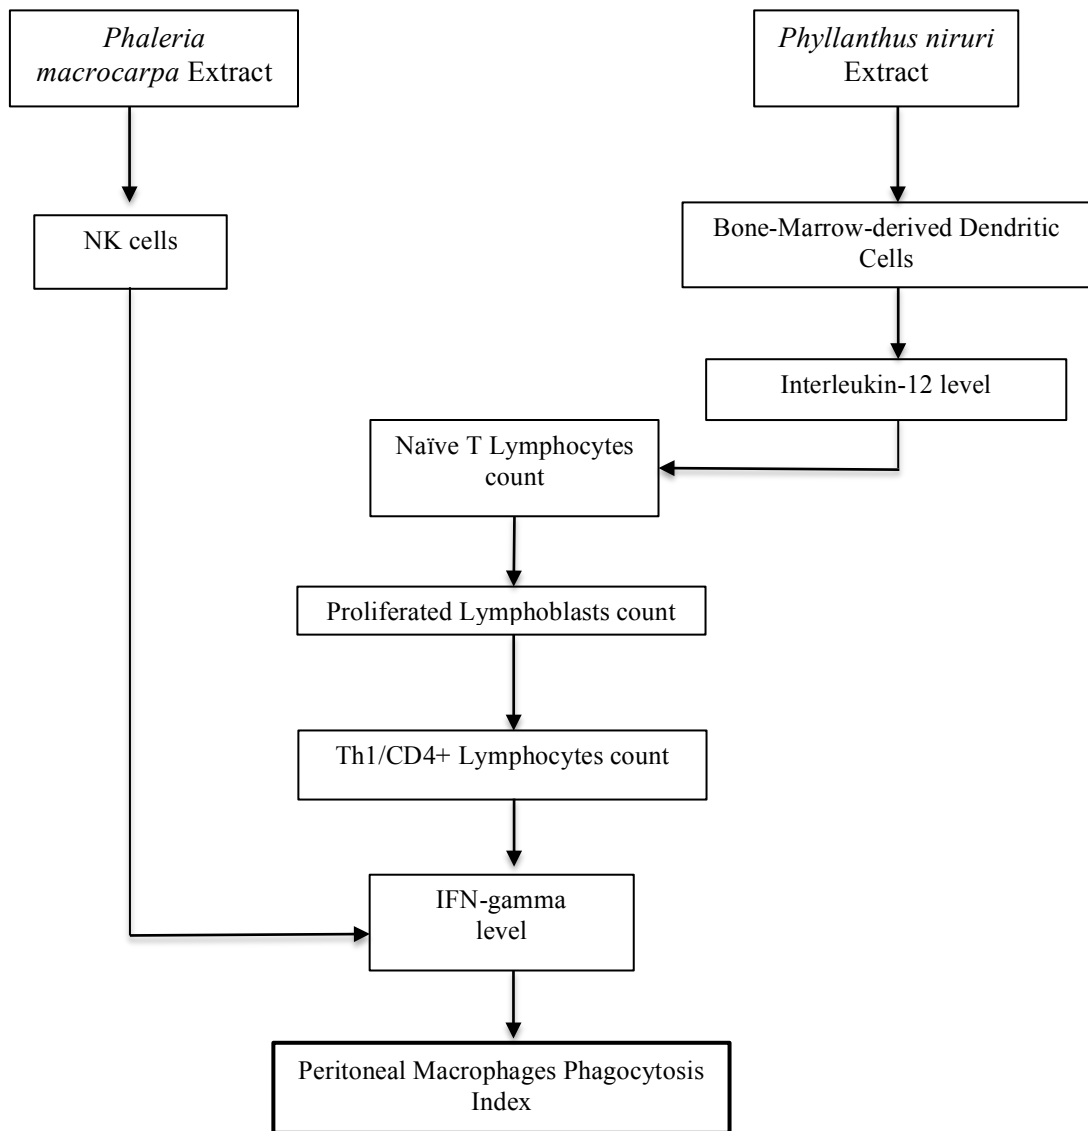

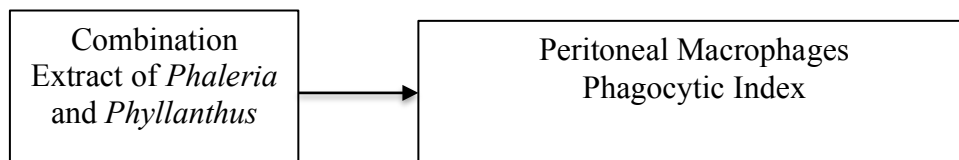

Figure 7. Theoretical Framework

### 3.2. Conceptual Framework

**Figure 8.** Conceptual Framework

### 3.3. Hypotheses

1. There is a difference on Peritoneal Macrophages Phagocytic Index of BALB/c mice which are treated with the combination extracts of *Phaleria macrocarpa* and *Phyllanthus niruri* compared to control.
2. There is a difference on Peritoneal Macrophages Phagocytic Index of BALB/c mice which are treated with the combination extracts of *Phaleria macrocarpa* and *Phyllanthus niruri* compared to *Phaleria macrocarpa* single extract.
3. There is a difference on Peritoneal Macrophages Phagocytic Index of BALB/c mice which are treated with the combination extracts of *Phaleria macrocarpa* and *Phyllanthus niruri* compared to *Phyllanthus niruri* single extract.
