

ABSTRACT

Choirunisa, Hanas “*Penggunaan Tame ni dan You ni dalam Kalimat Bahasa Jepang*”. Thesis Departement of Japanesse Studies Faculty of Humanity. Diponegoro University. The first advisor. Surono, Su. The second advisor Dra. Astuti, M.Hum.

Tame ni in Japanesse language indicates the purpose. *Tame ni* has the meaning “to” in the Japanesse language sentence usually followed by a verb wich has the intention and desire called *ishidoushi*. *You ni* in Japanesse language indicates the purpose. *You ni* in the Japanesse language sentence usually followed by a verb wich is does not contain the desire called *muishidoushi*. Author choose this issue because of the dificulty of distinguishing the use of this two words because in Indonesia language have similiar meaning but different in use. The purpose of this research is to make easy for applying the use of conjungtions *tame ni* and *you ni* gramaical structure and meaning Japanesse language sentence.

Keywords : conjungtions of *tame ni* and *you ni*.
