Yth. Ibu/Sdri

Nama saya Lathifa Putry Fauzia, mahasiswa Program Studi S1 Pendidikan Dokter Fakultas Kedokteran UNDIP. Saya melakukan penelitian dengan judul Hubungan antara Paparan Asap Pembakaran Lilin Batik dengan Fungsi Paru Pengrajin Batik Tulis. Penelitian ini bertujuan untuk mengetahui hubungan antara paparan asap pembakaran lilin batik dengan fungsi paru pengrajin batik tulis yang dilihat dari perbedaan hasil pemeriksaan fungsi paru antara pengrajin batik tulis dengan kelompok kontrol serta hubungan antara lama paparan asap pembakaran lilin batik dengan perubahan hasil pemeriksaan fungsi paru. Apabila Ibu/Saudari setuju sebagai peserta penelitian maka ada beberapa hal yang akan peneliti lakukan, yaitu:

- Pengambilan data mengenai pekerjaan, riwayat penyakit paru, dan riwayat merokok.
- Pemeriksaan berat badan, tinggi badan, dan frekuensi pernafasan.
- Pemeriksaan fungsi paru menggunakan *peak flow meter* dan autospiro.
- Pengambilan data dan pemeriksaan akan dilakukan dalam satu kali tatap muka. Hasil pemeriksaan akan dilaporkan kepada Ibu/Saudari.

Manfaat penelitian ini adalah dapat mengevaluasi fungsi paru dan memperoleh edukasi pencegahan terjadinya penyakit paru akibat kerja. Dalam penelitian ini pemeriksaan yang dilakukan tidak invasif dan dilakukan oleh tenaga

terlatih sehingga kemungkinan terjadinya komplikasi akibat penelitian ini sangat kecil.

Partisipasi Ibu/Saudari dalam penelitian ini bersifat sukarela, tanpa paksaan maupun tekanan dari pihak manapun. Setiap data pemeriksaan dan penelitian dijamin kerahasiaannya dengan tidak mencantumkan identitas subjek pada laporan hasil penelitian. Seandainya Ibu/Saudari menolak untuk berpartisipasi dalam penelitian ini maka tidak ada konsekuensi apapun.

Setelah memahami berbagai hal yang menyangkut penelitian ini, diharapkan Ibu/Saudari yang terpilih sebagai sukarelawan dalam penelitian ini, dapat mengisi lembar persetujuan turut serta dalam penelitian yang telah disiapkan.

Jika selama menjalani penelitian ini terdapat hal-hal yang kurang jelas maka Ibu/Saudari dapat menghubungi saya, Thifa (HP: 085727352035). Terima kasih atas kerjasama Ibu/Saudari.
