

## **LETTER OF FULL PAPER ACCEPTANCE**

Dear our respected authors,

We would like to inform you that the following paper:

### **Revitalization of Cracked Flexural Members using Retrofitting and Synthetic Wrapping**

**Aylie Han**

is **Accepted** to be presented in the *3rd International Conference on Sustainable Civil Engineering Structures and Construction Materials (SCESCM 2016)*, which will be held on September 5-7, 2016 at Sanur Paradise Plaza Hotel, Bali, Indonesia.

For your convenience, please log in using your account to see the comments (if any) from the reviewer to improve the formatting and quality of your paper. Please be advised, that you are requested to submit camera-ready manuscript according to the conference official template.

For your information, the deadline for camera-ready manuscript is June 20, 2016. We provide you time for presentation up to 12 minutes and 3 minutes for question-answer. As a reminder, your accepted paper needs to be presented at the conference by one of the author in order to publish the paper to the Elsevier Procedia Engineering.

Please kindly visit the conference website to complete your registration fee. Payment due date of early bird registration is on June 30, 2016.
