Grand Opening National Hospital Diponegoro by MENRISTEKDIKTI

The minister Research and Technology Prof. Mohammad Nasir inaugurated the grand opening of Rumah Sakit Nasional Diponegoro (RSND) on campus UNDIP, Tembalang, Thursday (01/28/2016). The inauguration marked with a signatory to the stone inscription by Moh. Nasir UNDIP with the Rector of Diponegoro University, Prof. Dr. Yos Johan Utama, SH., MHum and witnessed by RSND Managing Director Prof Dr dr Susilo Wibowo Ms Med SpAnd.

In his speech, Prof. Dr. Dr. Susilo Wibowo said RSND has officially opened outpatient services to the community since Sept. 15, 2014, while admissions starting from 9th April 2015 and services to patients BPJS started since January 1st, 2016.

"RSDN provides additional services like Autism

Center, Epilepsy Center Services, Biomolecular and Stem Cell Treatments, Fitness Services, Genetic Diagnosis and Prevention based on Innovation Research, Reproductive Technology Service Center (including In Vitro Fertilization or IVF), Neurosurgery and Cardiac Electro Physiology Center (Heart) Service Center "said Prof Susilo.

UNDIP Rector Prof. Dr. Yos Johan Utama, SH., MHum hoped that RSND can serve the people around Semarang and Central Java as well as hospitals excel in the field of research, research and development in medicine. The rector was being optimistic because RSND is supported by many experienced senior physicians and professors and doctors from Kariadi Hospital Semarang.

Putu Pinandytha

The Taekwondo Champ from UNDIP

Putu Pinandytha is a 6th semester student of Oceanography, Diponegoro University but he already made so many achievements in Taekwondo. He has been practicing this sport since primary school. Some of his achievements includes 1st place in Bekasi City Taekwondo Championships in 2007-2012, 3rd place West Java Regional Taekowondo Championship in 2011, 2nd place Student Sports Week in West Java (POPODA Jabar) in 2012, 1st West Java Regional Taekowondo Championship in 2013, 1st place Student Sports Week in Rayon 1 Semarang in 2015, 1st place Semarang Dipo Cup 2015, as well as the Gold Medal in Gadjah Mada University (UGM) Taekwondo Championship in 2015.

Not only that, the man who commonly goes by Putu, had represented Indonesia in The 8th Classic International Championship in 2014 held in Shah Alam, Selangor, Malaysia, and made it into the semi-finals, as well as The 9th Classic International Championship 2015 in Cheras, Kuala Lumpur, Malaysia and made it into the quarter-finals. Classic International Championship which he participated was an open championship in Asia-Australia region. Putu himself followed Kyorugi (fight) category in the

under 68 kg class.

"For me, Taekwondo is one of the great martial arts. Athletes from children to adults are facilitated with various of championship so they can continue to excel in Taekwondo. This is also a safe sports because you will be armed with a protector: foot sensor, body protector, and headguard. The point system now also has been modernized using sensors. If the sensors at the foot, body protector, or headguard activated, point will automatically show on screen," said Putu (02/02/2016).

According to Putu, for the time being his biggest dream is being able to join Regional Sports Week (Porda in West Java), Regional Sports Week in Central Java, and certainly hoping to join the National Sports Week (PON). "I hope my fellow Taekwondo athletes in UNDIP will always keep the training spirit because practice indeed makes perfect. If we can be the winner in POM Rayon and DIPO Cup, we can be the champion elsewhere. Never be satisfied and keep the athletes' regeneration among Taekwondo player in UNDIP," said Putu closing the interview.
