- Submitted articles should not have been previously published or be currently under consideration for publication elsewhere.
- Conference papers may only be submitted if the paper has been completely re-written (taken to mean more than 50%) and the author has cleared any necessary permissions with the copyright owner if it has been previously copyrighted.
- All our articles are refereed through a double-blind process.

Please submit your paper to [ScholarOne Manuscript Center](https://mc.manuscriptcentral.com/irspsd).
<https://mc.manuscriptcentral.com/irspsd>

For submission, we will not start review if authors do not use the following template file. However, please delete all authors' information in the first page of your manuscript when submission.

IRSPSD Template file.

Author guideline for preparing manuscript.
