I saw the difference between the template and the published format. Which one is the right one?

reply

Elena Corera 4 months ago

Dear Yusli, we suggest you contact the journal directly. Best Regards, SCImago Team

Is the journal still indexed in Scopus until now? A friend of mine told me the status of this journal in the scopus lists is INACTIVE. Is is true?

reply

Elena Corera 4 months ago

Yes, it's true. For the calculation of the indicators it is necessary that the citation window is active and in this case it is like this.
