DECLARATION

I hereby declared that no part of this thesis has been submitted to obtain any degree in the University. As far as I concern, no other works or opinion that have been written or published by others, unless it is acknowledged in this Thesis and listed in the Bibliography. If this Thesis turns to encounter a duplication, plagiarism of other's Thesis or Institution, then I am willing to accept all the consequences including the withdraw of my graduation and give up the title of Master of Engineering with full responsibility.

Semarang, 24 December 2014

A handwritten signature in dark ink, appearing to read 'Ratna', is written over a light pink rectangular stamp.
