About Editor-in-Chief

Dr. Ibrahim SEKER is currently working as Professor at Veterinary Faculty, Firat University, Department of Zootechny, Turkey. He completed his PhD in 2000 from Malatya Sultansuyu Agricultural Station, Malatya, Turkey in "The Relationships Between Linear Type Traits And Milk Yield Brown-Swiss Cows Bred". He also did special qualifications in Cattle breeding, Quail breeding, Sheep breeding, Biostatistics, Genetic. His prior work experience includes Research Assistant and Associate Professor at Veterinary Faculty, Firat University. He has 22 years Professional experience. He published 21 papers in International Journals and 22 in National journals. He attended 15 International and National Conferences and Symposiums as one of the presenter. He is also member of Veterinarian Surgeons Association and Turkey-Elazig Branch of the Chamber of Veterinarian Surgeons.

Meet us at

Featured Services

Science Alert is a leading international scientific publisher dedicated to publish peer-reviewed significant research work, delivering quality content through innovative information products and services. Our business is to manage the knowledge and disseminate the new discoveries globally. Science Alert publishes close to 150 academic and professional journals.

Our Journals

As a major international publisher of academic and research journals, Science Alert publishes and develops titles in partnership with the world's most prestigious learned societies and publishers. Our goal is to bring high quality research to the widest possible audience.

[read more](#)

For Authors

We work hard to support the researchers who publish in our journals. There is a wealth of information here to help you get published with us, as well as valuable services for authors who have already published with us.

[read more](#)

For Subscribers

2019 prices are now available. You may get personal/institutional subscription of the listed journals directly from Science Alert. Alternatively you may wish to contact your preferred subscription agency. Please direct orders, payments and customer service inquiries to Journal Customer Services at Science Alert.

[read more](#)

For Societies

Science Alert prides itself on its close and transparent relationship with societies. As a not for profit publisher we are committed to the widest possible dissemination of the material we publish and to the delivery of the very best quality service to our publishing partners.

[read more](#)

Help Center

Here you'll find the answers of Most Frequently Asked Questions (FAQs) which we received through e-mails or web-based contact form. According to the nature of the questions, we have divided the FAQs into the different categories.

[read more](#)

ASCI Database

Asian Science Citation Index (ASCI) is committed to provide an authoritative, trusted and significant information by the coverage of the most important and influential journals to meet the needs of the global scientific community. ASCI Database also provides link to full text articles to more than 25,000 records with the link of cited references.
