Iwan Setiawan:

Dear authors,

Please address the following issues:

[1] As all the authors come from 1 affiliation, the writing should be
only in one column (put in center):

Nizamul Muluk, Agung Warsito, Juningtyastuti, and Iwan setiawan
Department of Elec Eng
Faculty of engineering - Dipo Uni
Semarang, Indonesia
nizam@...; a.warsito@...; juning@...; setiaone.iwan@gmail.com

please DELETE the superscript numbering. No need to provide numbering
for email, as it is self explanatory whose email belong to whom.

[2] . To overcome {the} occurrence of the voltage sag,

[3] and load.{spacing here}There

[4] {problematic sentence}
change this: In this work by use Discrete
Fourier Transform (DFT) for phase detection and hysteresis
voltage control.
to this: This work employs Discrete
Fourier Transform (DFT) for phase detection and hysteresis
voltage control.
to this: This work employs Discrete
Fourier Transform (DFT) for phase detection and hysteresis
voltage control.

[5] this information in the conclusion should also appear in abstract
DVR need synchronization time for equals phase injection
voltage so it can compensate voltage sag due to short circuit
current L-G, L-L, L-L-G and L-L-L.

[6] change this: Fault cause problem
    to this: Such a fault causes problems

[7] change this: one of causes of voltage sag due to short circuit
current.
to this: one of causes of voltage sag is short circuit
current.

[8] change this: To mitigation voltage sag can use Dynamic Voltage
Restorer (DVR) [5], [6].DVR
    to this: To mitigate the voltage sag, one can use Dynamic Voltage
Restorer (DVR) [5][6].{space} DVR...

[9] placed at point of common{space}coupling, at customer side.

[10] {the} Basic idea of DVR is to inject

[11] Fig. 1 of the paper has never been discussed. Try to put sentence like:
Fig. 1 shows the block diagram of....

[12] {The} Main task of injection

[13] [The} Main task of harmonic filter i

[14] Unit:{space} {Its} Purpose is to supp

Please revisit and check throughout the manuscript for grammatical errors and
problematic sentences.

please reupload the paper and make sure it is pdf-checked.

Kindly ensure your revised paper has been converted by pdf-express
(http://pdf-express.org, ConferenceID: 41599x) and it should be resubmitted
through ICITACEE 2017 web.

In addition, registration process is now open.

Due date for camera ready submission is September 17th, 2017.

Kindly be informed that the Technical Program Committee shall check whether
your revised paper already meet the required revision. Failing to address
the reviewer's comment may lead to the rejection of your paper from
proceedings.

Thank you for your participation in ICITACEE2017.
