## **ABSTRACT**

The final project will discuss a poem, “What Is life” written by Samuel Taylor using a psychoanalytic approach. The purpose of this paper is to analyze what life means. Humans certainly have different lives. Whatever problems that occur in a life, we still have to try to give the best for the future. Feeling happy, sad, disappointed and others, all of that we will get in the life cycle.

*Keywords : Meaning of life, psychoanalysis approach, purpose of life*
